Ref: Contaminated or Radioactive Material Statement

Dear Customer ,

This letter is to inform you that TMK ARTROM S.A. makes no intentional addition of any radioactive elements to any of our seamless steel tubes products.

Raw material supplied only by TMK RESITA S.A. , company which belong us, had been successfully passed through radiation system control consisting in multiple stages of radiation screening.

The results of this control is continued in our company at the final inspection when all samples collected are tested for radiation.

We can declare on base of above mentioned, that our seamless steel tubes are free of radiation who not exceed background levels.

Should you have any further questions, please do not hesitate to contact the undersigned at the mobil phone +40 723 209 646 or at email magdalena.popescu@tmk-artrom.eu

Thank you for your interested in our steel products.
